

CITY OF IMBLER

The City of Imbler is accepting bids to update the city water pump station. The job entails building and installing a new control panel that will operate 3 new VFD 7.5 HP pumps to supply the city with water. The new system must also integrate with an existing propane powered backup pump, which is used for power outages and fire suppression. Bids will be accepted from 8:00 a.m. on September 9, 2019 through 4:00 p.m. on October 4, 2019. To request the bid sheet or make an appointment to view the pump station, kindly contact us via: (541)534-6095 or (541)403-0485; on imblercity@oregonwireless.net; and at 180 Ruckman Avenue, Imbler, Oregon, Monday & Tuesday's from 8:00 a.m. to 4:00 p.m.
